CHARTS' GENERAL RULES

1. Types of use of SPA's repertoire

Lump Sums should be collected according to the type of use, such as, Balls, Variety Shows, Fados, Karaoke, Permant DJ, Classical Music and Light Music Concerts or Recital (invited DJs, Artists, Bands and Groups) and Fashion Shows, Background Music with no DJ, Showing of Videograms, Public Communication of Cable or Satellite TV, Public Communication of Open Signal TV channels (RTP 1 and 2, SIC and TVI), etc.

2. Lump Sum Penalties

- The lump sums stated in these Minimum Tariffs Charts for Public Performance Rights are valid for all uses whose author's rights are settled in advance.
- Monthly lump sums can be settled, without any penalty, until the 5th of each relevant month.
- All payments made after the use's taking place have a 20% penalty [in accordance with no. 3 of Article 68, in conjunction with no. 3 of Article 41, of the Código do Direito de Autor e dos Direitos Conexos (Code of Author's Rights and Neighbouring Rights), approved by Decree-law no. 63/85, of March 14th, changed by Law 45/85, of September 17th].

3. Classification of Venues

The Minimum Charts for Public Performance Rights are applied according to the classifications given to the venues where the use occur and not according to the classification given to its promoters.

- These classifications are given considering the type of business of the venue where the use takes place, its capacity and/or area, as well as the working hours.
- This subject matter is regulated by Decree-law no. 234/207, of June 19th, which revokes Decree-law no. 168/97, of July 4th and Regulative Decree no. 38/97, of September 25th.

3.1. Food and Beverage Establishments with and without Dancing Area

- Food and beverage establishments are divided into two categories, Luxury and Other, and the Minimum Tariffs Charts are applied according to their capacity.
- Any establishment that isn't classified as Luxury will be included in the Other category.

Tabelas Mínimas de Direitos de Execução Pública

3.2. Hotel Units and Similar

For uses taking place within the hotel units facilities, such as Bars and Restaurants, Discotheques, Auditoriums, Congress Rooms, the Minimum Tariffs Charts regarding each of the facilities should be applied, considering the following:

- For essential music uses taking place in the hotel units' Bars and Restaurants, with Dancing area, Chart No. 1 applies. Should there not be a Dancing area, Chart No. 2 applies.
- For essential music uses taking place in Congress Rooms or Auditoriums, Chart No.5 applies.
- For essential music uses taking place in the Lobby or other common area, used by the guests, with no Dancing area, Chart No. 2 applies. Should there be a Dancing area, Chart No. 1 applies.
- Bars, Restaurants and Discotheques integrated and operating in 5 and 6 star hotel units are included in the Luxury category. Those integrated in the remaining hotel units are included in the Other category.
- For Audiovisual or Background music uses in common spaces and hotel facilities, such as Restaurants, Bars, Congress Rooms, etc., not assigned to third parties, Chart No. 4 applies, according to each hotel unit category.
- For Audiovisual or Background music uses in common spaces and hotel facilities, such as Restaurants, Bars, Congress Rooms, etc., assigned to third parties, the corresponding charts to every facility or space apply, being the assignee's responsibility to pay the author's rights.
- For Audiovisual uses in hotel units' rooms, a 25% effective occupation of the total number of rooms is considered.

3.3. Other Venues

- All other venues are classified in categories, according to their description and maximum capacity assigned.
- Capacity is determined by the number of seats or areas assigned to the public, considering 0,50m² for standing capacity and 0,75m² for seating capacity.
- When the venue doesn't fit in any of the mentioned categories and genres in the alphabetical index, depending on the case, Chart No. 8 is applied to enclosed spaces and Chart No. 9 is applied to open air venues.

4. Essential Music

4.1. Establishments where you can dance:

- Ball uses for all establishments - lump sums of Chart No. 1

4.2. Concerts, Raves and Light music recitals:

- It is every live or recorded music show, composed by the exclusive performance of an artist, group or group of artists forming a whole with its own designation, or when their respective performance constitutes the main element of the concerned programme.

4.3. Uses with paid entrance:

- For every use with paid entrance, collection will be calculated in the following way:
 - Balls, concerts, raves, variety shows, fados, etc. - 5% of receipts corresponding to the venue's full capacity, with the minimum fees provided in each venue's respective chart.
 - In venues where the capacity is over 1.000 seats, 48 hours before the show takes place, users can choose to pay 10% of the box office gross receipts, for live music shows or for recorded music shows, plus 100,00€ per show, as a supervisory fund, with the minimum fees established in the respective chart. The box-office sheet must be delivered to SPA on the following working day after the performance.
 - Users that choose this type of payment will have to compulsorily deliver a deposit equal to the normal collection value (5% of the venue's full capacity), which will be activated 48 hours after the show's performance.

4.4. Carnival and New Year's Eve (including Saturday, Sunday, Monday and Tuesday):

- For essential music uses, with free entrance, the respective lump sum is doubled for each of these days. Should there be a paid entrance, the collection should be made according to the rules set in 4.3 above.

Minimum Tariffs Charts for Public Performance Rights
